

HIGHLY PROFITABLE DRAINAGE BUSINESS

WEST CENTRAL SCOTLAND

Ref. 2667

THE
BUSINESS SALES
AGENCY

This is an excellent opportunity to acquire a long established and high profitable drainage company operating all over Scotland.

Operating for over 25 years their work includes high pressure water jetting of drains, CCTV surveying, excavation of defective drainage installations and general fault finding and repair to defective or troublesome drainage systems.

The Company achieves a net turnover in excess of £400,000 and generates an excellent net profit before directors remuneration of £300,000 per year.

The business has a solid client base across the central belt of Scotland but covers the Highlands and Borders when required.

Clients include UK wide facilities management companies, hotels, housing associations, building companies, pharmaceutical operations, commercial retail parks and owners of all types of business and domestic properties.

Being so well established and by providing a timely, quality service no advertising is required and all work is based on repeat business and word of mouth referrals.

With additional staff and some marketing this business has significant growth potential.

This Company is offered for sale at offers over £395,000.
