

**Debt Recovery Business**

**Ref 2585**

**Central Scotland**

**This is a superb opportunity to acquire a well established and profitable debt recovery business. It deals in the all debt recovery matters but specialises in claims up to £5000 in value.**

**With a large number of repeat clients and hundreds of ongoing cases this business offers an excellent foothold into the debt recovery market for a new entrant or an additional source of leads for an established operator looking to expand in the sector.**

**With a domain name and website that appears high in the google rankings together with a bespoke computerised debt collection system the operation is very scalable but at the same time would be easy to relocate.**

**Other than nominal registration fees it operates mainly on a no-win no fee basis meaning it offers excellent value for money to its clients while still being a profitable operation for the owner.**

**Full accounts can be made available to serious interested parties after a meeting with the owner.**

**Training can be provided to a purchaser if required.**

**Offers in the region of £49,000 are invited for the business plus an apportionment of work in progress.**

**VIEWINGS**

**Strictly by appointment through The Business Sales Agency.**

**No approach may be made directly to the property nor should enquiries be made of any staff at the premises.**
