

## HIGH TURNOVER COMMERCIAL CLEANING COMPANY

Central Scotland

Ref 2621

**This is a rare superb opportunity to acquire a well established and highly profitable commercial cleaning business based in Central Scotland.**

**Net annual sales of £1.5 million with excellent gross and net profit margins.**

**With a large number of blue chip, public and private sector, clients this company has a diverse customer base and no reliance on any one client group.**

**Owner manages the business with a strong office based admin team and approximately 120 full & part time operational staff.**

**The business carries out a wide range of commercial cleaning operations from regular office, retail and commercial premises to specialist high margin hazardous cleaning and cleaning in other high risk health and safety conscious environments.**

**This business is ideally suited to someone with management experience looking for a business to work on rather than in.**

**Full training and professional handover available.**

**Bank funding available for up to 70% of purchase price.**

**Offers in the region of £495,000 are invited for the shares in the company.**
