

**This is an excellent opportunity to acquire a well established and consistently profitable asbestos surveying business with an excellent repeat customer base in both the public and private sectors.**

**This independent surveying company is based in central Scotland, with a substantial and varied client base built over 20 years.**

**Clients range from Housing Associations, property developers, project managers and architects which together with a solid internet presence built over the years produce a regular work flow.**

**The business has built a robust foundation from referrals with a high level of customer satisfaction.**

**The business would be ideal for a company already in the industry looking to expand their current portfolio, a surveying organisation wanting to diversify or a person with a building surveying or construction background looking for a new opportunity.**

**Average net turnover for last 3 years was in excess of £75,000 with low overheads and excellent net profits.**

**This business with a suitable handover is offered for sale at offers over £45,000.**
