

This is a rare opportunity to acquire a long established and profitable joinery manufacturing business with spacious freehold premises located in Central Scotland.

The business specializes in the manufacture of timber double and triple glazed windows, doors and other custom joinery.

Annual net turnover is around £500,000 with excellent gross and net profits.

The 543m² factory is fully equipped with all the equipment necessary for the manufacturing and painting of its products.

The freehold premises were recently professionally valued at £250,000.

The building includes production areas with good workflow, spray booth, ample storage space for finished goods and raw materials, showroom, modern offices and a large yard with plenty of private parking.

The business has a skilled team of experienced production staff and could cope with further demand.

A Luton LWB van for deliveries is included in the sale.

Freehold property, business, equipment and vehicle is offered for sale at offers over £425,000.
