

**Pyrotechnic & Firework Firing Systems Retailer**  
**Relocatable**  
**Ref. 2743**

**Type of business:**

This is a rare opportunity to acquire one of the leading suppliers of pyrotechnic and firework firing systems in the UK with a customer base extending across Europe.

Approximately 30% of sales are of its own products manufactured specifically for the company with the balance being related products sourced from other leading manufacturers around the world.

The business supplies all the equipment necessary for remote firing of firework displays included synchronized sound systems.

This includes programmable firing systems in a range of sizes together with all the cabling and related consumables.

This is an excellent opportunity to acquire a well established and profitable business with full handover training.

**Financial information:**

Net annual sales average between £200,000 and £250,000 with significant scope for expansion.

With low overheads together with excellent gross and net profit margins this is a consistently profitable business.

Stock at cost is usually around £60,000 - £70,000.

Further financial information can be made available to serious interested parties after a meeting with the owner.

**Staff:**

The owner runs the business without any staff.

**Opening hours:**

Hours can be flexible as most sales leads come from the website or existing customers and agents.

**Premises:**

The business can be run from home so can be based anywhere in the UK.
